

Business Accelerator Webinar Series

January 27th:

SR&ED Technical Development and Tax Credits

SR&ED is a \$4 billion government incentive...

— do you qualify?

Is your work technically-challenging? Are you spending money developing prototypes? You may receive 68 cents on the dollar!

Join this one hour session to by a former SR&ED Consultant to CRA, and...

- discover how much government Scientific Research & Experimental Development tax incentives that your company may be eligible to receive;
- understand what activities qualify for SR&ED;
- include all SR&ED-eligible expenses;
- know what documentation to submit within your tax return;
- learn to navigate CRA's approval process;
- ask questions following a 20-minute summary, during a Q&A session to discuss your situation.

Presenter: Richard Moore <http://www.techincentives.ca>
